

DATA SHEET C4 BASIC

PRODUCT DESCRIPTION

The SCHUBERTH C4 BASIC combines everything that SCHUBERTH stands for: quality, safety, and pure joy. The modular helmet offers stability at speed and low weight to minimize fatigue on long tours. Its newly developed inner lining offers even more comfort at an outstandingly low noise level. Experience SCHUBERTH quality that is met with modern designs.

- Standards re-defined: an optimized fitting and acoustic concept make the C4 BASIC the quietest and most comfortable helmet that SCHUBERTH has ever built
- Antifogging has never been so easy thanks to the pre-installed Pinlock® anti-fog lens
- Perfect view: an extra-large face shield provides a maximized field of vision

499,- €

HELMET SIZES

XS (53) – S (55) – M (57) – L (59) – XL (61) – XXL (63) – XXXL (65)

WEIGHT

Starting at 1,620 g

HELMET SHELL

- Directly processed glass fiber (SCHUBERTH Direct Fiber Processing) combined with a special resin is compressed in a vacuum at high pressure to form an exceptionally sturdy yet uniquely light helmet shell
- Carefully crafted in our proprietary wind tunnel, aerodynamically optimized for high speed stability without buffeting

INNER SHELL

- Multipath channels in the EPS liner allow for an excellent ventilation throughout the helmet
- The complex segmentation of our specially optimized EPS foam liner ensures optimal shock absorption to keep your head protected

FEATURES

- High-quality interior with seamless head pad and integrated spectacle channels ensures perfect fit and outstanding wearing comfort
- Removable and washable inner lining; allergen-free and anti-bacterial (Oeko-Tex 100 certified)
- Face shield with first class optics provide visibility without any distortion
- Easy Change visor mechanism for a quick and simple face shield replacement without the use of tools
- Preinstalled Pinlock® visor prevents shield from fogging
- Integrated flip-down sun visor
- Patented Anti-Roll-Off System (A.R.O.S.) to ensure that helmet is kept in place
- 2 helmet shell sizes for optimal fit with excellent protection
- Reflective elements make riding even safer
